MLs signifies Measure Lengths.

The numbers in the leftmost column are the MLs for the "A" section(s). The numbers at the top of the table are the MLs for the "B" section(s).

A number within a cell at the intersection of a line and a column provides the number of times a particular pair of values is used.

■ 1:1 ratios

■ 1:2 ratios

■ 1:3 ratios

Line sums indicate, for example, that 8 occurs 34 times as the first term of an A1:B1 pair.

Column sums indicate, for example, that 10 occurs 2 times as the second term of an A1:B1 pair.
